

The Final Blessing

Over this 24 hours of prayer we have focussed on the bible passage...

“I have come that they may have life, and have it to the full”.

John 10:10

We have invited Jesus to be present with us, we have spent time asking God to bring healing, wholeness and shalom to us as individuals, our families, our church family, our town & community, our country and the world. We have been honest about the impact this year of lockdown has had on us physically, emotionally, mentally and relationally. We have made space to listen to Jesus and hopefully have encountered the healing power of the almighty God.

As we draw this time of prayer to an end it would be good to focus on the verses from Numbers

“The Lord bless you and keep you; the Lord make his face shine on you and be gracious to you; the Lord turn his face toward you and give you peace.”

Numbers 6:24-26

We would invite you to think of the journey you have come on over this last 24 hours and remain in that place of prayer to simply ask Jesus if there is anything else he wants to say or give you.

As we bring this time of prayer to a close, last year the song The Blessing was released and had a massive impact around the world. As we all struggled to adapt to the changing world around us it spoke life, truth and blessed us incredibly. It would be good if you could listen to the song (by clicking on the image) and as you listen, allow Jesus to bless you, bring you his peace and give you the strength needed for the next season ahead.

The Lord bless you
And keep you
Make His face shine upon you
And be gracious to you
The Lord turn His
Face toward you
And give you peace
May His favour be upon you
And a thousand generations
And your family and your children
And their children, and their children
May His presence go before you
And behind you, and beside you
All around you, and within you
He is with you, He is with you
In the morning, in the evening
In your coming, and your going
In your weeping, and rejoicing
He is for you
Amen
